ELIS Public Hearing 1 (Riverhead) Transcript DRAFT (HAYedits, 23Jun16).pdf

Hi Jeannie,

Attached is the Transcript of Hearing No.1, with my edits in red ink (there were quite a few). I am good with it at this stage, ready for EPA/USACE/your review. I also included a Word file, without my edits (using pen on a hardcopy was just a lot faster). Please note that the **pdf** version is the version to review.

This completes my review of the 4 transcripts. You now have them all.

I am leaving on the July 6<sup>th</sup> midday, returning the 21<sup>st</sup>. I hope also to get this report done: My suggestions:

1. Please give me your edits on the Hearing Report Shell (sent yesterday) by the end of tomorrow (or Monday), if possible. It only has a few pages of text and I can assemble the pdf of all parts of the report, missing just the final transcripts.
2. Please advance the USACE/USEPA/your review of the transcripts as quickly as realistic, since the transcriptionists also will need some time to enter the edits. In addition, I will check their revisions; there were a few times in the past that they did not address all edits in revision 1 and I asked them for a second revision.

Thanks,

Bernward

Hi Jeannie,

I am two-thirds through the Hearing No. 3 transcripts. I have quite a few edits for the transcriptionist, and am going through the audio line by line. I suspect I will have to do that also

for No. 4. Therefore, my recommendation is to ...:

- **Hearing No. 2 (Mattituck):** Start your review with the transcript from the Hearing (No. 2) in Mattituck, which I went through and edited (you have it as a pdf). It is now in good shape as far as I am concerned.
- **Hearing No. 3 (Groton day):** Wait till I sent you my marked-up transcript to save you (and EPA/USACE) time and effort. I should have the marked-up No. 3 done around 2:00pm today.
- **Hearing No. 4 (Groton, eve):** I hope to have No. 4 done tonight (or mid-morning tomorrow at the latest). I will also email the marked-up pdf version when done.
- **Hearing No. 1 (Riverhead):** I expect that one today from the transcriptionist. Will edit it tomorrow, and then send it to you as a mark-up as well.

I will also send you the Hearing Report shell (entire report, minus transcripts) tonight for review.

Hope this works.

Thanks,

Bernward
